Dear Parents and Carers

Re: Class Curriculum Newsletter – Autumn 2 - Pear Class

We are excited to be starting the new term and have lots of exciting things planned for the term ahead.

In Mathematics, we will learning we will be exploring 2D and 3D shapes, addition, subtraction and multiplication.

In English our first text will be Around the World in 80 Days. For the later part of the term, we will be reading The Polar Express.

In our Art, we will be learning about different celebrations and festivals and using different art techniques to create a variety of pieces.

Our topic work will be linked to our English and will look at where in the world we live and different countries. Later in the term we will look at journeys and toys from the past.

As always, we will continue with our phonics learning and reading and would encourage you to continue to read with your child as often as possible.

Our PE day will continue to be on Thursday; your child can come wearing PE kit and if the weather is good, we may go outside.

As we move into the wetter weather could you please ensure that children have welly boots in school – especially those children who have been playing on the main playground at lunchtime. Without these they will be unable to play on the grass.

We are very lucky this term and we will continue to have Miss Grace coming in to teach us music.

Towards the end of the term, we are hoping to invite parents/carers in for a Christmas Craft Afternoon. More details about this to follow. We will also be planning a Christmas party and joining in with Christmas jumper day, Christmas dinner and watching Christmas performances.

If you have any questions or queries, please don't hesitate to ask.

Mrs. Batchelor
Pear Class Teacher

Our texts for the half term:
